Architecturally significant and masterfully crafted, this extraordinary custom residence is a timeless showcase of luxury, design, and craftsmanship. Designed by a renowned local architect, every space has been thoughtfully curated with dramatic architectural details, soaring volume ceilings, custom ceiling treatments, and an impressive indoor waterfall feature that creates an unforgettable first impression. The spectacular great room is bathed in natural light through walls of windows, seamlessly connecting to the outdoor living spaces and capturing breathtaking views of the neighboring water features. Designed for both everyday living and exceptional entertaining, the chef's kitchen is a true centerpiece, featuring a distinctive circular and turret ceiling design, granite countertops, premium stainless steel appliances, double ovens, wine cooler, abundant custom cabinetry, and a cozy fireplace. The luxurious main-level primary suite is a private retreat showcasing rich African mahogany flooring, a dramatic barrel-vault ceiling, custom walk-in closets, and a beautifully renovated spa-inspired bath complete with granite vanities, a glass walk-in shower, and its own fireplace. The upper level offers a private guest ensuite overlooking the great room from its own balcony, while the finished walkout lower level expands the home's incredible living space with a spacious family and game room, deluxe wet
